

daughter.

ENLISTMENT.—Mr. C. Greenslade, of the Borough Surveyor's staff, is one of the latest officials to join the Forces.—The Health Committee have expressed the opinion that Mr. J. G. Plant, Sanitary Inspector, and Mr. H. Townsend, his assistant, are indispensable to the work of the Health Department, and that their services should be retained.—It has also been decided to retain the services of five civilian firemen of military age.

MAYOR AS EDUCATIONIST.—The annual
